OFFICER'S NAME LOCATION

I was driving back home from the dentist when a car came out and hit the side of me. He came out of his car and asked if I was OK. I said yes. He said he would give me his insurance information, but he had to get his daughter to school. I told him no, that I was calling the police. He said to just take his insurance he has stuff to do today. I kept telling him no. I called the police and took a picture of his license plate and insurance card. He popped his bumper in the front back on and drove off.
