Pic B/H #736 AT Akron General North  
OFFICER'S NAME LOCATION

While driving on Route 8 North, while I was heading back to work after a doctors appointment, I was rear-ended. I was in the middle lane and saw ~~o~~ signs noting that the left lanes were closing ahead. Traffic had immediatly stopped and the vehicles in front of me had come to a complete stop. In order to prevent hitting the vehicles in front of me who were stopped, I used my turn signal and got into the left lane. As I entered into my lane, there were additional vehicles ahead of me who were merging ~~from~~ from the left lane into the right. I lowered my speed to avoid hitting the cars in the left lane and saw a car coming behind me very fast. I honked several times before he hit me. I believe he was distracted and would've hit the vehicles in front of me if I hadn't been there.

Pt. B. HASSIO #736 AT SR 8 north  
OFFICER'S NAME LOCATION

I was traveling roughly between 55MPH and 65MPH in the far left lane when another car pulled straight in front of my vehicle, they had been in backed up traffic and merged into my lane moving less than 50MPH. I slammed on my breaks but they never sped up so I couldn't lower my speed fast enough to avoid collision
