I was driving up in the yellow lane to turn left into Swensons / Autozone. I saw the white truck to my right pulling out in front of stopped traffic in front of Goodyear. I tried to swerve left and speed up, but he still hit the back of the passenger door. We pulled into Auto Zone and exchanged info. I called the police right away.

 I was coming out of the ACME Plaza trying to turn left. Both main lanes of traffic stopped and left a space for me to go through. So I pulled forward looking right for traffic. When confirmed there's no traffic, I proceeded to turning left. However, there was a car speeding down the middle curb lane really fast and I could not stop in time and collision happened. I was going at 5-10mph coming out of the plaza and could not have avoided that car going at its speed
