OFFICER'S NAME LOCATION

I was traveling South on 8 towards Cuyahoga Falls
 In the lane closest to the wall, and traffic started
 coming to a stop, I saw the tail lights popping
 on ahead, so I began to slow to about 15-20
 MPH and then the traffic came to a complete
 stop and as I stopped a car hit me from
 behind enough to push the car forward a foot
 or two, at that point I took a second to gather
 my thoughts and looked in the rear view mirror
 to see what happened and saw the other
 driver looking at me, so we pulled over
 to the berm side of the freeway, and
 called police
