DESCRIBE WHAT HAPPENED

On 4-5-23, Mr. Bollini called to report damage to his vehicle, which he believes occurred as a result of a hit-skip. He stated he believes his car was hit while it was parked and unoccupied at the Akron General wellness Center yesterday, between 1830 and 1930 hours.

I called and spoke to security regarding surveillance video. I was told their cameras did not capture anything at that time in that area.
