I was driving down progress park dr. and came to the end of the road where there was a stop sign. I stopped and shortly after a truck came to a stop across from me on Maplehurst where he stopped at a stop sign. We were both stopped and when a window opened up in traffic I pulled out making a left heading south toward Stow high school. The other driver drove straight going through his stop sign onto Progress Park from maplehurst. As I was in the intersection the other driver had driven forward hitting the rear of my car. After the collision I pulled around the block and exchanged information with him in a nearby church parking lot.
