X I was headed north on 91. Right pass the library I felt a car hit the passenger side of my car. I tried to turn my wheel to go a little left but then almost hit a van head on. I corrected to go back into the lane (~~to~~ left) on the north side. At that time they had noticed they hit me and got into their (right) lane so I did not hit them again. Note they insisted multiple times they wanted to leave the scene and just leave their insurance info and phone numbers.
