We picked up food at Alteries and proceeded to the traffic light. The light turned green and I let my foot off of the brake. The car in front of me didn't so I barely tapped his rear bumper. I immediately checked to see that he was OK. That is when we called you to come because he thought he was hit by a drunk driver, which was not the case. My car slid into him when I slammed back on the brake peddle. I tapped his rear bumper with minimal damage.

I was a passenger in a vehicle with my husband.
 We came up to the light Darrow Road and Kent Road.
 The light had just turned green, I looked down for a moment and looked up after we taped into a blue honda. It is raining and the road is very wet. It felt like we slide for a moment.
