I was heading East on Rt 59 and entered the intersection as the light was turning yellow. I struck the vehicle in the turn lane as it appeared as if they were about to turn in front of me. I swerved left to avoid misjudging their movement and struck the vehicle head on on their passenger side. I got out of my vehicle to check on them which they said they were fine but their knee hurt and their vehicle was disabled. I moved my vehicle onto ^{Rt} 91N to the right side and put on my hazards
