Driving south on 91, other driver was west bound on Maplewood Rd, drove out (left turn onto 91 S) into my lane (right curb lane) and stopped abruptly in front of a driveway, then sped up quickly and stopped again leaving me no time to react. I had pumped brakes hard once, let off brake when she accelerated then ~~she~~ stood on brake but it was too late.

Other driver is a delivery driver, no signal, no warning of random stop. Seemed like they must have been searching for an address on a 4 lane ~~33~~ 40 mph State Route.

Resident came running to us when she heard impact.

No injuries sustained.

I was getting ready to make a right turn to the delivery address and Bob rear ended me from behind. We both stopped on the side of the road and waited for police to arrive. While we waited the person I was delivering to was in the process of checking her mail where the accident happened and she called the police. Although she was standing there she said she did not see what happened.
