DRIVING on Graham Rd today the traffic in front of me was slowing / stopping. I slowed fairly quickly and looked in my rear view to make sure the car behind me was also slowing down. They were slowing down and we were almost or totally stopped when I heard a crunch and impact and saw the car behind me get pushed forward and hit the back of my car. I parked and got out - asked the other two drivers if they were ok. They both said yes. I looked at the back of my car & took photos. I exchanged insurance info with the other drivers and one of them called the police. We waited until they arrived, spoke to the officers and provided my information. 10-2-23

As traffic slowed in front of me, I was also slowing down and was rear-ended. This pushed my car forward pretty fast. ~~My~~ I attempted to swerve into the opposite lane to avoid the car in front of me but was unable to avoid clipping it's back left bumper.
