!! Our NEW FAVORITE Playground !!

We visited the brand new SKIP Playground in Stow—WOW it's AMAZING! 🤩

The large main structure is like nothing we've come across. It consist of two large towers that are connected by a climbing net. This was both of my kids' favorite feature.

Other amazing things:

- ♥️ Zipline
- ♥️ Rope swing
- ♥️ Obstacle course
- ♥️ Double person swings
- ♥️ Accessible swings
- ♥️ Accessible carousel
- ♥️ Toddler structure
- ♥️ Sandpit
- ♥️ Musical instruments
- ♥️ Picnic tables
- ♥️ Nice bathrooms

And more!

Honestly, this is probably the coolest playground we've been to, and I think it was totally worth the 45 minute drive.
