Ptl. R. Molody #734 OFFICER'S NAME AT 4000 Blk Westminster LOCATION

While driving to pickup my son, I came around the corner ~~of~~ of Berkshire & Westminster road. After coming around the corner (~~less than~~ less than 25mph) I had a line of cars to my right. parked. I saw one pull out of the parking spot it was in. A silver Altima. At the time I began slowing down further to give him room, and I was also reacting because I was afraid ~~a~~ another car was going to pull out. ~~The~~ The driver of the silver vehicle (Altima) was yelling out to someone. He came to a stop. I came to a stop about 2 carlengths away from where he stopped. I then saw his Reverse lights come on. I thought he saw me and a driveway was right there, so I thought maybe he was headed for the driveway. I began to use my horn when it appeared he wasn't going for the driveway & was still coming back. I was still stopped. ~~while~~ while still signaling with my horn I was there in the Road, he backed his left back corner of his car into the right front bumper of mine. It was very low speed, but still managed to smash his tail light & smash my bumper. He got out threatening me and telling me he had no insurance anyway, so I called the police.
