The City of Stow invites its residents to volunteer and assist with trash pickup along major roads in the city! Collecting trash along our roadways will help prevent pollution from entering into our storm drains which lead to our local streams, rivers and lakes! You will be working with a small group and assigned an area to pick up trash along the streets and sidewalks. If you helped last year, dig out your safety green t-shirt; if you're new to the group, please advise your preferred t-shirt size when registering for any or all of the following clean up dates.

**Trash bags and T-shirts will be provided.
You will need to provide your own latex, gardening or work gloves.**

LEND A HAND TO BEAUTIFY STOW!
Sign up individually or as a group.
