I was at the stop light at Walmart turning right onto Hudson drive and a green light. As I turned into right lane driving about 20 mi/hr. I felt a car slam into me. I was traveling to pick up food for grandkids I feel the other driver was in a hurry. She turned into my lane at the same time. I had the right of way. I don't think she waited long enough for me to turn. She was coming from across the street and turned ^{left} first on as I was turning right.

I was turning left on Hudson Drive. I had the green light however I proceeded to wait for the car to turn right. But they were not moving, so I proceeded to turn left, when I saw her move. I was startled and tried to move all the way left. But that's when the accident happened.
