DESCRIBE WHAT HAPPENED

Vehicle #1 left its parking spot and slightly scratched vehicle #2 which was parked. Driver of vehicle #2 stated she saw a silver SUV, but did not get a license plate. Driver did state that parked witness saw the incident and provided her with RP: FTK5685. The Driver of vehicle #1 then continued to drive away, last seen heading East on Graham Rd. I was able to identify the driver of vehicle #1 and made her aware of the hit/skip violation on private property at approx. 1625 hours. Driver of vehicle #2 stated they did not want to push the issue and only thought the other driver should have stayed & apologized. Neither driver could provide me with insurance info at the time.
