The driver in front of me activated their left turn signal and as soon as I noticed it I began to ease on my breaks. Once I did the driver in front made a hard stop so I had to slam on my breaks to avoid collision. The driver behind me had to do the same but without enough space and we made contact

Driving on Graham rd. Two cars ahead  
 signaled to turn left into shopping center.  
 Driver ahead of me stopped hard because  
 the driver turning, did not turn. I braked hard  
 and tried to swerve but collided with driver  
 ahead of me. We then both turned into a  
 parking lot to check on each other. We agree  
 it is neither drivers fault.

We were coming in through the intersection and saw the other car brake and didn't have enough time to brake completely and collided. In the other driver's words, the car in front of them had slammed their brakes. NO one was injured. was the passenger in the blue Kia.
