OFFICER'S NAME LOCATION

I was exiting route 8 in the inside most turn lane to turn left on Graham. My light turned green I started through my turn lane turning left and as I was in mid turn noticed the other car sticking into my lane I narrowly avoided the car with my front end but during the turn the other car might have rolled forward into my lane more strikingly my quarter panel. There was a lane on my right also turning so swerving into that lane would have caused an accident.
