OFFICER'S NAME LOCATION

I turned onto Baird rd in stow, Ohio. I was driving down the street at approximately 25-27 mph and began to slow down as I approached a vehicle that was breaking and almost at a complete stop at the right hand side of the road. I assumed she was stopping as there was no turn signal or indication of a turn. I began to drive passed her. As I was almost passed her she turned her vehicle to the left and began accelerating into a driveway that I was passing. I saw her out of the corner of my eye start to turn so I swerved to the left to avoid collision. the front left of her car turned and hit the mid-back end of my vehicle. My ~~car~~ car rested in a driveway and tipped a small lamppost. At that time my vehicle was going approximately 10 mph when it entered the driveway when it finally braked.
