

"Blooming in Style"

Adopt-A-Spot

Volunteer Instructions

Pick up flowers on planting day

Saturday, May 23, 2026 (9 - 11 AM)

weather dependent (back up date: May 30)

- Location: 3840 Holly Tree Trail Greenhouse
- Go through parking lot in front of building
- Go through gate - the gate will be open
- Greenhouse is straight ahead on the right side

Plant in adopted spot - do not mulch your bed

You'll need to bring gloves, hand trowels, shovels, kneeling pad

- Please bring water on planting day (the city employees will water starting May 27)

Visit your site weekly to pull weeds, break up soil as needed, remove spent flowers on plants

You'll need bucket or bag, gloves, kneeling pad, hand weeder and hand cultivar

The City of Stow will

- have seasonal employees who will be responsible for watering annuals
- place an Adopt-A-Spot volunteer sign at each site once the flowers have been planted
- remove and dispose of the annuals in mid to late September, this is weather dependent
