I At the intersection of Dannew I don't know the name of the cross street. Light turned green. I proceeded through the intersection on Dannew. I was going to stop @ the subway in the plaza several yards past intersection as I approached the driveway to make a (R) turn into subway parking lot. I turned on my (R) turn signal, & began to apply my brakes. As I slowed to make a (R) turn I was hit from behind. I hit my head against my window & some thing, my glasses flew off. I then braked to a stop & retrieved my glasses. I was wearing my seat belt & I used my turn signal to indicate my turn. My car was propelled into the parking lot a few yards. But I needed to move my car forward to allow the other driver to get out of oncoming traffic.
