Francis was at the stop light in the left turn lane to turn onto Steels corner from Steels Point drive. The left turn arrow turned green only He (Francis) turned left into the left hand lane (in the correct direction, 4 lane road). The other driver turned right into the left hand lane and hit the passenger front end of our vehical. After, the driver specifically apologized to me saying he wasn't sure if he had a green light, he only saw the green arrow.
