Officer Smith OFFICER'S NAME AT 3227 Graham Rd. LOCATION

I was coming down Graham rd when the light turned red, I started breaking when the car in front of me broke a little harder I tried to break harder but it wasn't enough time so I lightly tapped the car in front of me, they stayed @ the stop light until it turned green they continued east towards Stow highschool and then turned left into Stow highschool parking lot they continued straight to the drop-off-line, while I went towards student parking and stopped the car I looked around and couldn't see the car so I went in the school and talked to two of my principals they told me to talk to the school officer when he arrived
