I was facing north in my driveway to turn left. I looked to my left it was clear, I looked to my right it was clear. I pulled out to turn left and did not see the van traveling east until I pulled out. The neighbor to my left had to trash cans out and I think my obstruction was not seen until I pulled out. Grateful we are all safe.

OFFICER'S NAME LOCATION

(from Hudson)
 I was driving home after getting lab work and suddenly my van was hit — I didn't see the car hit me from the right, but I felt the van slide in the mud and could not stop from sliding to the right — there was a tree I tried to avoid and somehow managed to graze it, sliding to a stop in the front yard close to the house. I was able to turn off the car and open the driver's door to get out. The ~~do~~^{error} other driver came over to check on me and waited for police to arrive (someone living there called 9-1-1).
