I was going south on Fishcreek yielding to a minivan turning left in front of me. When the minivan turned I continued south when the mercury (grey) crashed into the right rear door. The grey mercury was going North turning onto Maple Hurst. I was past the mercury and had already past the mercury driver door and was struck.

I was turning left into Maplenurst and another car was already stopped at the intersection turning left into progress park. The Porche went around the other car to the right and I couldn't see them so as they kept trying to go straight and I'm trying to go left we collided.
