after work,

I was turning left off Steels corner rd, onto Hudson Dr to make ~~an~~ a right hand turn into sheets. I was almost at a complete stop just started to turn my wheels & car right into gas station when all a sudden, a vehicle appeared zooming past me coming from my right side before I could turn into the sheets. He seemed to be trying to get around me quickly ~~and~~ or to avoid hitting me from the back maybe? I was not in the middle of the lanes I was in the straight lane to turn right when I got hit. soon as I got hit the other driver was instantly ~~and~~ lying about what had just happened. he did not wait for me to turn so that his drive path was clear.
