PRINTED

J. BAILEY M3 AT 3520 HUDSON DR.  
OFFICER'S NAME LOCATION

I saw the collision happen as a witness. The Silver SUV backed out halfway almost fully quickly without stopping as the white- clay truck was passing the parking space at slow speeds causing the SUV to collide with the truck causing the truck to collide with the SUV. There was nothing the truck could do as the SUV didnt stop when backing up. It was the SUV drivers fault for the collision as they didnt look before backing up nor did they stop until they backed into the oncoming truck. Truck had 100% right of way. The SUV driver didnt abide by law and checking before moving nor did they stop till hit the other vehicle.  
 Bottom line SUV is at fault
