CONTRIBUTING CIRCUMSTANCES

Backing from parking space

DESCRIBE WHAT HAPPENED

A witness observed vehicle two backing out of a parking space and hitting the driver side door of vehicle one then driving out of the parking lot. The driver of vehicle 1 stated he observed damage to his front driver side door and a note left by the witness. I was able to contact the driver for vehicle two, who stated she did not know she hit a parked car and felt a "bump".
